

Oregon State University College of Science Graduation Checklist

BioHealth Sciences - Pre-Physical Therapy 2016-17

Name _____

Student ID _____

The pre-physical therapy (PPT) program is designed to fulfill the general requirements for entering a School of Physical Therapy. The following PPT curriculum satisfies the entrance requirements of many accredited schools in the United States. Because the requirements for admission vary, **students** are ultimately responsible for completion of requirements to their choice of schools. Satisfactory completion of coursework does **not** guarantee admission to PT schools since applicants are accepted on a competitive basis. To prepare for PT schools, students must complete a bachelor's degree and all prerequisite courses. In addition, **paid or volunteer work in direct patient care is usually required for admission to most programs.**

REQUIRED COURSES ARE TO BE TAKEN ON A GRADED (A-F) BASIS.

All prerequisite courses for physical therapy schools must be completed with a "C" or better in order to be accepted by the school.

BACCALAUREATE CORE REQUIREMENTS (48 credits + 3 credits WIC)

Skills Courses (15 cr + WIC):

- Writing I (3) _____
- Writing II (3) _____
- COMM (3) _____
- Mathematics (3) Fulfilled below
- Lifetime Fitness (2) HHS 231
- Lifetime Fitness Lab (1)/PAC _____
- Writing Intensive Course (3) (see below)

Synthesis Courses (6 cr):

The two courses used to fulfill the Synthesis requirements may **not** be in the same department.

- Contemporary Global Issues (3) H 312 (see below)
- Sci. Tech. & Soc. (3) _____

Perspectives Courses (27 cr):

No more than two courses from any one department may be used by a student to satisfy the Perspectives category:

- Physical Science (w/ lab) (4) Fulfilled below
- Biological Science (w/ lab) (4) Fulfilled below
- 2nd Phys./Biol. Sci. (w/lab) (4) Fulfilled below
- Western Culture (3) _____
- Cultural Diversity (3) _____
- Literature and the Arts (3) _____
- Social Processes and Institutions (3) PSY 201/202
- Differ. Power, and Discrim. (3) (SOC 206 recom.)

MAJOR & OPTION REQUIREMENTS: Required courses may **not** be taken on an S/U graded basis.

Sample: 4-year program for BHS, Pre-Physical Therapy

CAUTION: The pre-PT track meets the requirements for **many** schools. However, **STUDENTS** must check pre-requisites at any school to which they apply for up-to-date information.

	Fall		Winter		Spring

OSU Institutional Requirements

	Required	Completed	Deficient
Total Hours (one degree)	180	_____	_____
Upper Division	60	_____	_____
Residency (45 of last 75)	45	_____	_____

IMPORTANT INFORMATION:

- WR 121 and COMM must be completed satisfactorily (C-) within the first 45 hours of OSU work. WR II must be completed satisfactorily within the first 90 hours of OSU work. Transfer students must complete WR II and COMM within the first 45 hours of OSU credits.
- Students should be aware that some physical therapy schools require 9-12 credits of Writing and Literature. WR 327 is recommended. It is the responsibility of the students to educate themselves and fulfill **ALL** prerequisites requested by professional schools.
- Recommended electives: MB 303; ST 202; NUTR 225; PHAR 210; PSY 330; BB 350 or 450 & 451.
- Many PT schools require courses in Humanities and/or Social Sciences. The Baccalaureate Core may be used for completion of those requirements.
- A minor in Chemistry is possible with one additional non-organic chemistry class such as CH 324, Quantitative Analysis (4cr.). A minor in Psychology and/or KIN are also attainable; see your advisor for details.
- Most PT schools require **observational experience**, usually a minimum of **100 hours**.
- The American Physical Therapy Association <http://www.apta.org> offers an informative web page.
- Most PT schools require application to their program through the Physical Therapy Centralized Application Service (PTCAS). Information about the site is at <http://www.ptcas.org/>. The site provides links to schools across the country.
- Most PT schools require students to take the General Record Exam (GRE) no later than October/November of the academic year in which they apply. Detailed information on dates and locations can be found at <http://www.ets.org>.
